

Faculty of Engineering and Physical Sciences INTERNATIONAL EXCELLENCE UNDERGRADUATE SCHOLARSHIPS

Eligibility and Selection

The Faculty of Engineering and Physical Sciences at The University of Manchester is offering **up to ten Scholarships of £2,000 per annum for well qualified international undergraduate students.**

These scholarships will be renewed for each year of full-time study at The University of Manchester, *up to a maximum of four years*, and subject to students' sustained academic performance.

- This scheme applies to any undergraduate degree programme within the Faculty of Engineering and Physical Sciences at The University of Manchester.
- Each scholarship will be awarded on the basis of a student demonstrating high performance in their High School final year examinations (or equivalent) and the academic reference on their UCAS form.
- All international students who are holding an offer of a place within the Faculty of Engineering and Physical Sciences will be automatically considered for a scholarship.
- Applicants must have accepted an undergraduate programme in the Faculty of Engineering and Physical Sciences at The University of Manchester as their firm choice by **29 June 2012**, for entry in September 2012.
- Applicants must have submitted their examination results to the Faculty by **31 August 2012**.
